Dear Sir,

As a servant of the One and True living God and a minister of the Gospel of Jesus Christ, I felt compelled to write to you. I know I may never really receive an answer from you, but I am hoping that someone on your staff may see this and pass it along to you, so you may consider all I have to say here.

You are in a position of great power and authority, for which I pay you the proper respect you are due as the leader of a country. As a fellow martial artist (I believe you have a 5th degree black belt in Judo, I presently hold a 7th degree black belt in Jujutsu, as well as black belts in a few other systems), I pay you the respect you are due because of your rank and standing.

There is a lot of tension between your country and that of the Ukraine. World opinion of you and your country is not very favorable right now. The conflict between your country and the Ukraine can easily get

out of control and encompass the whole world, causing another World War, which I believe no one really wants as very little, if anything, would survive. All of this could so easily be avoided.

I know you are most likely not a believer in the One and True Living God and in His Son Jesus Christ, but as a minister, I would be greatly honored if you would allow me to come there and take just a few precious hours of your very valuable time and share the Gospel of Jesus Christ with you and what the Bible has to say concerning what we see going on around the world today. I would do so in a non-judgmental, non-condemning or critical manner. All I have to say and share with you would be done through the Love of God and of Jesus Christ.

The world is spiraling downward at an ever-accelerating rate. Everything is beginning to go out of control and no one seems to have the answers. You are in a position where you can do a lot of good for the world, especially if you understand what is really going on and what is behind it.

I implore you to seriously consider my offer to come there and sit with you one on one and share and explain with you all of these things and what you need to know and do yourself so you are saved and protected.

I await your reply.

Your humble servant in His service,

Bishop Dr. Bradley Carey
